I am opposed to ACC recommendation regarding the sewer fees. The staff's recommendation to increase the sewer fees for Emerald Springs homeowners is excessive and unnecessary. ACC staff recommends fees that are three times the rates being charged now for the same service being performed. Even if AZCC staff anticipates improvements being made homeowners cannot afford them.

Many of the homeowners are now having to rent their houses in order to make ends meet. We cannot afford a big increase in sewer fees at this time with our present economy and the excessive taxes being imposed by big government.
